REFERENCE FOR PADDY HEATON

I have known Paddy Heaton in my role as his Housemaster and have had the pleasure of working along side him in year12 as Careers Adviser with in the School. Paddy has proven himself to be an impressive young man and has shown maturity beyond his years. He is an extremely able young man who has enjoyed great success in many areas of the school through his commitment to different opportunities presented to him over his life at Shore.

Paddy held the position of House Senior where he honoured his commitment to Anderson House through the House Activities scheme and has forged many new friendships with the younger members of the House. These friendships have shown Paddy's qualities of tolerance and patience and he has always been available to the younger boys for guidance. He has made a wonderful commitment through the Day House with his involvement in charity work and fund raising, his selfless work in school functions and his overall dedication to the serving of others.

In the wider school community Paddy has completely immersed himself in the life of the school through Football and Basketball. In the co-curricular program Paddy has been involved in Cadets and Sports Coaching.

Academically, Paddy is an excellent student who has an excellent work ethic and has consistently been awarded positive effort grades by his teachers and has consistently shown a studious approach to all that he does. I have no hesitation in recommending this lovely young man who has set the highest standards of conduct and determination to succeed.

I am more than happy to be contacted if you would like to discuss Paddy Heaton at any given time and can be reached on 9956-1143.

Yours faithfully

Tim Scouller
Housemaster – Anderson House
Careers Adviser
Shore School
